

Your electric utility and the Independent Energy Efficiency Program (IEEP) are sponsoring this program to encourage residential electric customers to upgrade their appliances to ENERGY STAR® labeled appliances. To receive your rebate without delay, fill out both sides of this form completely and mail it to the address below, along with:

- A copy of your dated sales receipt (application must be submitted within 6 months of appliance purchase)
- A copy of your most recent electric bill

CUSTOMER INFORMATION:

► Sufficient ENERGY STAR® product documentation is required

Mail to: IEEP, P.O. Box 2489, Syracuse, New York 13220-2489, or email to IEEPRebates@gmail.com (Please *do not* send this form with your utility bill payment)

Qualifying Measures Worksheet

Your electric utility has qualified the energy-saving appliances listed on this page for Appliance Advantage incentives. For the appliance to be eligible, it must meet the minimum qualifying standards indicated in the chart below. **The equipment must be purchased new and**

CHANGE FOR THE BETTER WITH

installed within the electric utility's service territory within six months of receipt purchase date. For rebates greater than \$500, pre-approval is required. If you have any questions or you require pre-approval, please contact the IEEP at 315-463-7208 or IEEPRebates@gmail.com.

Please ensure that the product has the ENERGY STAR® label. To find out more about ENERGY STAR® appliances, or to inquire about qualifying products, visit the ENERGY STAR® website: www.energystar.gov

APPROVED MEASURE	EFFICIENCY CRITERIA documentation required	INCENTIVE AMOUNT	DESCRIPTION OF EQUIPMENT INSTALLED (MANUFACTURER, MODEL #)	QTY.	TOTAL INCENTIVE AMOUNT
