SOUTH

PLOT PLAN

1. An application for a building permit, special use permit, or variance must be accompanied by a plot plan, drawn in ink, denoting property lines, all existing and proposed buildings and structures in relation to the property lines, paved or parking surfaces and appropriate measurements.
2. Show the location of water source or well, septic systems, streets, roads, driveway and any rights-of-way.
3. Show the relationship of the parcel to adjacent properties, the distance to the nearest buildings in all directions, and the use of adjacent buildings.
4. If professional drawings for construction work are available, please submit them.
