The above-named permit holder agrees to comply with all laws and regulations pertaining to excavations within a public right-of-way. Permit holder shall, at his/her own expense, furnish, erect and maintain proper barricades, signs, flagging etc. in conformance with NYS DOT Title 17 Uniform Traffic Control Devices, necessary to protect both pedestrian and vehicular traffic during the course of the work. Permit holder agrees to hold the Town of Olean, its officers and employees harmless from any claims or actions that may arise during the performance of the specified work and to conform to all rules contained in 16 NYCCR Part 753 (Protection of Underground Utilities). This permit may be revoked at any time for any reason by the Highway Superintendent of the Town of Olean or his/her duly authorized representative.
