Mr. Stanbro is speaking with Bear Communication and looking into the placement of 4 new camera's placed around the Town Barn due to graffiti that was done a few weeks ago to the side of the building.

Mr. Tinelli advised to look into the AK cameras for better resolution.

Mr. Tinelli asked Mr. Stanbro how funds are going with the repairs and building of roads with the rise in cost for oil.

Mr. Stanbro had wanted to take care of Morgan Hollow Rd but there is not enough money. There is also not enough material to purchase to make the repairs. Mr. Stanbro was able to get enough to build Raub Road a few months ago at last year's price and the other towns have the rest of the material reserved.

Mr. Stanbro was pleased to say that Hillibrandt Road has been tar and chipped and came out great. There will need to be one coat of sealant next year.
