Town of Mina

Town Board Packet

March 10, 2022 Meeting

(Agenda and Minutes are Posted Separately)

LOCAL LAW NUMBER 01 OF 2022

Town of Mina

A local law pursuant to Section 10 of the New York State Municipal Home Rule Law prohibiting the parking of vehicles on Woodland Shores Drive and Woodland Shores Extension.

Section 1. Legislative Intent.

It is the intent of this local law to prohibit the parking or abandonment of vehicles on Woodland Shores Drive and Woodland Shores Extension in the Town of Mina.

Section 2. Authority.

This local law is adopted pursuant to Section 10 of the New York State Municipal Home Rule Law, which expressly authorizes towns to manage the use of its highways, roads, streets and avenues within the town's boundaries including the authority to regulate parking thereon.

Section 3. Prohibition of Parking, Woodland Shores Drive and Woodland Shores Extension.

The parking of vehicles on Woodland Shores Drive and Woodland Shores Extension present several ongoing issues because of their narrow width including, but not limited to, maintenance of the roads, snow plowing and removal of snow, and emergency vehicle access to residences and properties on the roads. Accordingly, the Town Board of the Town of Mina hereby prohibits the parking or abandonment of vehicles, whether attended or unattended, on Woodland Shores Drive and Woodland Shores Extension.

Section 4. Violation of this Law.

The owner of a vehicle in violation of this law shall be subject to a civil penalty of not less than fifty dollars (\$50.00) nor more than one-hundred dollars (\$100.00) per day. In addition, the Town, its employees, or agents, and the police are authorized to provide for the removal of such vehicle and storage thereof at the owner's expense, payable in full before the vehicle is released.

Section 5. Supersession of Prior Law and/or Ordinance.

It is the intent of the Town Board to supersede the provisions of the Ordinance #1 of 1979, relating to the parking or abandonment of vehicles on highways in the Town of Mina with respect to Woodland Shores Drive and Woodland Shores Extension.

Section 6. Effective Date.

This local law shall take effect immediately upon filing in the Office of the New York State Secretary of State.

LOCAL LAW NUMBER 02 OF 2022

Town of Mina

A local law adopted pursuant to Section 10 of the New York State Municipal Home Rule Law regulating parking on highways within the Town of Mina.

Section 1. Legislative Intent.

It is the intent of this local law to regulate parking in the Town of Mina on highways, roads, streets and avenues other than Woodland Shores Drive and Woodland Shores Extension, within the Town of Mina boundaries during the months of November, December, January, February, and March to facilitate snow plowing and removal of snow.

Section 2. Authority.

This local law is adopted pursuant to Section 10 of the New York State Municipal Home Rule Law.

Section 3. Regulation of Parking.

The Town Board in and for the Town of Mina, County of Chautauqua, hereby prohibits the parking, whether the vehicle's attended or unattended, or the abandonment of vehicles on all highways, roads, streets, and avenues within the boundaries of the Town of Mina from 12:00 a.m. on November 1 of each year through and including March 31 at 11:59 p.m. of the succeeding year.

Section 4. Violation of this Law.

The owner of a vehicle in violation of this law shall be subject to a civil penalty of not less than fifty dollars (\$50.00) nor more than one-hundred dollars (\$100.00) per day. In addition, the Town, its employees, or agents, and the police are authorized to provide for the removal of such vehicle and storage thereof at the owner's expense, payable in full before the vehicle is released.

Section 5. Supersession of Prior Law and/or Ordinance.

It is the intent of the Town Board to supersede the provisions of Ordinance #1 of 1979, relating to the parking or abandonment of vehicles on highways in the Town of Mina.

Section 6. Effective Date.

This local law shall take effect immediately upon filing in the Office of the New York State Secretary of State.

Town of Mina and Findley Lake Volunteer Fire Department Study of Town Highway Garage and Fire Department Fire Station March 9, 2022

The purpose of entering into a collaborative study between the Town Board of the Town of Mina and the Governing Board of the Findley Lake Volunteer Fire Department is to research the facility needs of both entities and to recommend a course of action for each entity that will improve access, safety and operational efficiencies.

- I. Goal Highway Garage: Determine a fiscally prudent course of action to better meet the needs of the highway department by either upgrading the existing highway garage or by building a new facility.
 - 1. Assess the structural condition and functionality of the existing highway building,
 - 2. Identify current as well as foreseeable facility needs of the Town Highway Department including:
 - a. Safety issues (fuel pumps attached to garage, equipment entrance & egress),
 - b. Size to adequately house all equipment (depth, width, height),
 - c. Space needed for indoor maintenance of equipment,
 - d. Needs not currently available (equipment wash bay, personal shower bay), and
 - e. Improved operational efficiencies (task lighting).
 - 3. Research other municipal highway facilities to determine layouts and features that promote operational efficiencies,
 - 4. Prepare a report that includes findings of the research conducted as well as a summary of pros and cons of options considered including potential funding streams for either renovating the existing highway building or constructing a new highway building, along with a recommended course of action, and
 - 5. Present the report and findings to the Mina Town Board and the Findley Lake Volunteer Fire Department Governing Board.
- II. Goal Fire Station: Given the number of safety issues identified by the fire department at the current location of the fire station, determine a fiscally prudent course of action for either relocating the fire station to the existing highway garage or to another site/building that can adequately meet the needs of the fire department.
 - 1. Assess the structural condition and functionality of the existing fire station,
 - 2. Identify current as well as foreseeable facility needs of the Findley Lake Volunteer Fire Department including:
 - a. Safety issues (equipment entrance & egress),
 - b. Size to adequately house all equipment (depth, width, height),
 - c. Space needed for indoor maintenance of equipment,
 - d. Needs not currently available (equipment wash bay, personal shower bay, future on-site quarters to house volunteers or employees, and
 - e. Improved operational efficiencies.
 - 3. Research other emergency/fire department facilities to determine layouts and features that promote operational efficiencies,
 - 4. Prepare a report that includes findings of the research conducted as well as a summary of pros and cons of options considered including potential funding streams for either renovating the existing highway building to meet the needs of the fire department or constructing a new fire station, along with a recommended course of action, and
 - 5. Present the report and findings to the Mina Town Board and the Findley Lake Volunteer Fire Department Governing Board.

and

Findley Lake & Mina Historical Society (Bicentennial Committee)

and

Findley Lake Watershed Foundation

Collaborative Study to Determine the Feasibility of Constructing a Log Cabin in Downtown Findley Lake

March 10, 2022

The purpose of entering into a collaborative study among the Town Board of the Town of Mina, the Board of Trustees of the Findley Lake & Mina Historical Society (Bicentennial Committee), and the Board of Directors of the Findley Lake Watershed Foundation is to determine the feasibility of erecting a log structure downtown on property that is currently owned by the Findley Lake Watershed Foundation. In 1902, the Lakeside Assembly published in its program/brochure that the log cabin was the oldest and most historic building at the lake. The Findley Lake & Mina Historical Society rescued the building from being demolished and has stored the logs offsite with plans to reconstruct the building to serve as an asset to the community. The Findley Lake & Mina Historical Society's Bicentennial Committee plans to find a suitable location for the log structure and to erect it as a centerpiece of the Town of Mina's upcoming bicentennial celebration in 2024 as well as a facility that can be showcased and used in the future by the Findley Lake & Mina Historical Society. Additionally, the President of the Findley Lake Watershed Foundation approached the Town Board to express the interest of the Watershed Foundation and members of the business community in constructing the log structure on property owned by the Watershed Foundation on Pleasant Street.

The overall goal of the collaborative study is to assess the suitability of erecting the log structure downtown Findley Lake on the east side of Pleasant Street to the north of the gazebo. The study needs to include:

- 1. Determining the space requirements for the construction and operation of the building.
- 2. Securing an approval from NYS Department of Environmental Conservations that the area is outside its designated wetlands and that DEC has no issues with a building being constructed at that site.
- 3. Assessing ownership and maintenance options including separating out the parcel of land and either donating it to the Town of Mina or entering into a long-term lease.
- 4. Preparing a construction plan that meets building codes.
- 5. Securing any needed variances required under the Town of Mina's Zoning Law.
- 6. Preparing a SEQR (State Environmental Quality Review) that coordinates with other pertinent governmental agencies and addresses any environmental concerns on that parcel of property.
- 7. Preparing a report that includes findings of the research conducted as well as a summary of pros and cons of options under consideration along with a recommended course of action, and
- 8. Presenting the report and findings to the Mina Town Board and the Findley Lake & Mina Historical Society Board of Trustees and the Findley Lake Watershed Foundation Board of Directors.

3/8/22

To Whom It May Concern:

I am writing this letter of support of the Town of Mina's attempts to relieve the traffic congestion that is often an issue at Woodland Shores. There have been problems in the past in which our ambulance did not have direct access to a residence during an emergency because of vehicles parked along the roadway. I would hate to think of the possible consequences of a structure fire on Woodland Shores in which our fire trucks and emergency vehicles could not access the fire scene because of vehicles parked along the narrow roadway. I hope a solution to this potentially dangerous issue can be agreed on.

Town of Mina Board Resolution #13-22

Bridge NY Engineering Consulting Services

Agreement between Owner and Engineer for Professional Services
Dated: March 10, 2022

WHEREAS, the Town of Mina issued a request for proposals from 15 engineering firms for the purpose of assisting the Town with applying for a Bridge NY grant for three culvert replacement projects including Bailey Hill Road, School Street and West Mina Road, and;

WHEREAS, four engineering firms responded to the request for proposals and the Town of Mina Highway Superintendent reviewed the proposals with the Senior Bridge Engineer for Chautauqua County and the City of Jamestown Highway Superintendent, and;

WHEREAS, the consensus was to engage the engineering firm of Greenman-Pedersen (GPI) to assist the Town on the above identified projects, and;

WHEREAS, the Town Board of the Town of Mina at its April 8, 2021 regular meeting approved the engagement of Greenman-Pedersen (GPI) as GPI has experience with several Bridge NY projects in Chautauqua County, and;

WHEREAS, Bridge NY funding was approved for the Bailey Hill Road culvert replacement project, and;

WHEREAS, pursuant to procurement laws, the Town of Mina vetted the four engineering firms for the grant submission and may, at its discretion without further solicitation of bids, hire Greenman-Pedersen (GPI) to design and oversee all aspects of the Bailey Hill Road culvert replacement project, and;

WHEREAS, the Town of Mina Highway Superintendent is recommending that the Town of Mina enter into an engineering agreement with Greenman-Pedersen (GPI), and;

WHEREAS, the Bailey Hill Road culvert replacement project will include the following engineering services as well as any other Bridge NY project requirements:

Design I-IV
Design V-VI
Right of Way Incidentals
Right of Way Acquisition
Construction
Construction Inspection

NOW, THEREFORE, BE IT RESOLVED, that the Town of Mina hereby authorizes the Mina Town Supervisor to enter into an agreement with Greenman-Pedersen (GPI) engineering firm to oversee all aspects of the Bailey Hill Road culvert replacement project in accordance with Bridge NY requirements at an amount not to exceed New York State's funding of \$998,050.
